of the Macedonian front, putting the
Bulgarians to route.

The statement says heavy losses
were inflicted on the Bulgarians. The
Serbians captured 100 Bulgarians
and three cannon.

BY FRENCH TROOPS

official account of operations on the
French front was given out here
Friday:

ben redoubts were heavily shelled.
During the night two small raids
were carried out against the enemy

Loos."

EXTREMELY TURBULENT
CONDITIONS IN GREECE

LONDON, Oct. 20.—Extremely
turbulent conditions in Athens on
Wednesday night are reported in a
despatch from Reuters' correspond-
ent at the Greek capital. Greek re-
servists have taken the law in their
own hands despite the presence of
strong Entente detachments of ma-
rines who are given virtually no as-
sistance by the Greek authorities in
maintaining order, the despatch de-
clares.

Twenty-five officers and 600 men
of the Athens garrison have gone
over to the national movement and
left for Saloniki, according to an Ex-
change Telegraph despatch from Ath-
ens.

Newspapers announced, adds the
message, that Janina in Greek Epi-
rus also has gone over to the revolu-
tion, but official confirmation of this
is lacking.

BRILLIANT ADDRESS

Is Delivered by General W. W.
Scott at a Meeting of the
Salem Hughes Club.

SALEM, Oct. 20.—General W. W.
Scott, of Washington, D. C., delivered a
brilliant address before the Salem
Hughes club at a meeting held Thurs-
day evening. The meeting was well at-
tended and Mr. Scott's scathing ar-
raignment of the Wilson administra-
tion was cheered wildly.

The local Hughes club is quite ac-
tive and is conducting a most aggres-
sive campaign for new members. Every
member of the club is a hard worker,
and as a result the club's influence
will be felt at the polls on November 7.

terian church.

FOUR SQUARE.

I propose that we shall en-
force American rights with re-
spect to all the nations of the
world, American rights of life,
property and commerce. We
propose to stand four square
among the nations of the earth.
We have no secret under-
standing. We have no in-
trigues of any kind. We have
no unstated purposes. We are
just plain Americans. Nobody
can embarrass me by talking
about Americanism. I am not
for this nation or that nation.
I am for the United States first,
last and all the time, without
regard to another considera-
tion.—CHARLES E. HUGHES.

REED CLOSES CAMPAIGN IN THIS COUNTY

With a Brilliant Address before
a Large Crowd of Eagle
District Voters.

LUMBERPORT, Oct. 20.—Secre-
tary of State Stuart F. Reed, Repub-
lican nominee for Congress from the
Third district, ended a four days'
stumping tour of Harrison county
with a brilliant address before a
large crowd of Eagle district voters
in the opera house here Thursday
night.

Although Mr. Reed was the only
speaker of the evening, a large num-
ber of county candidates were pres-
ent and met the voters. Among the
county nominees attendance were Ira
L. Swiger for assessor, Lloyd D. Grif-
fin for sheriff, Dorsey W. Cork for
member of the county court, Will E.
Morris for prosecuting attorney,
Rossi M. Fisher, S. R. Harrison, Jr.,
and John Moore, all candidates for
the house of delegates.

Music for Thursday night's meet-
ing was furnished by the Lumber-
port band. Dr. C. S. Bates acted as
chairman.

Mr. Reed's address was one of the
most brilliant political speeches ever
heard here. His arguments were
logical and convincing, and when he
concluded hundreds came forward,
many of them Democrats, and as-
sured him of their hearty support.

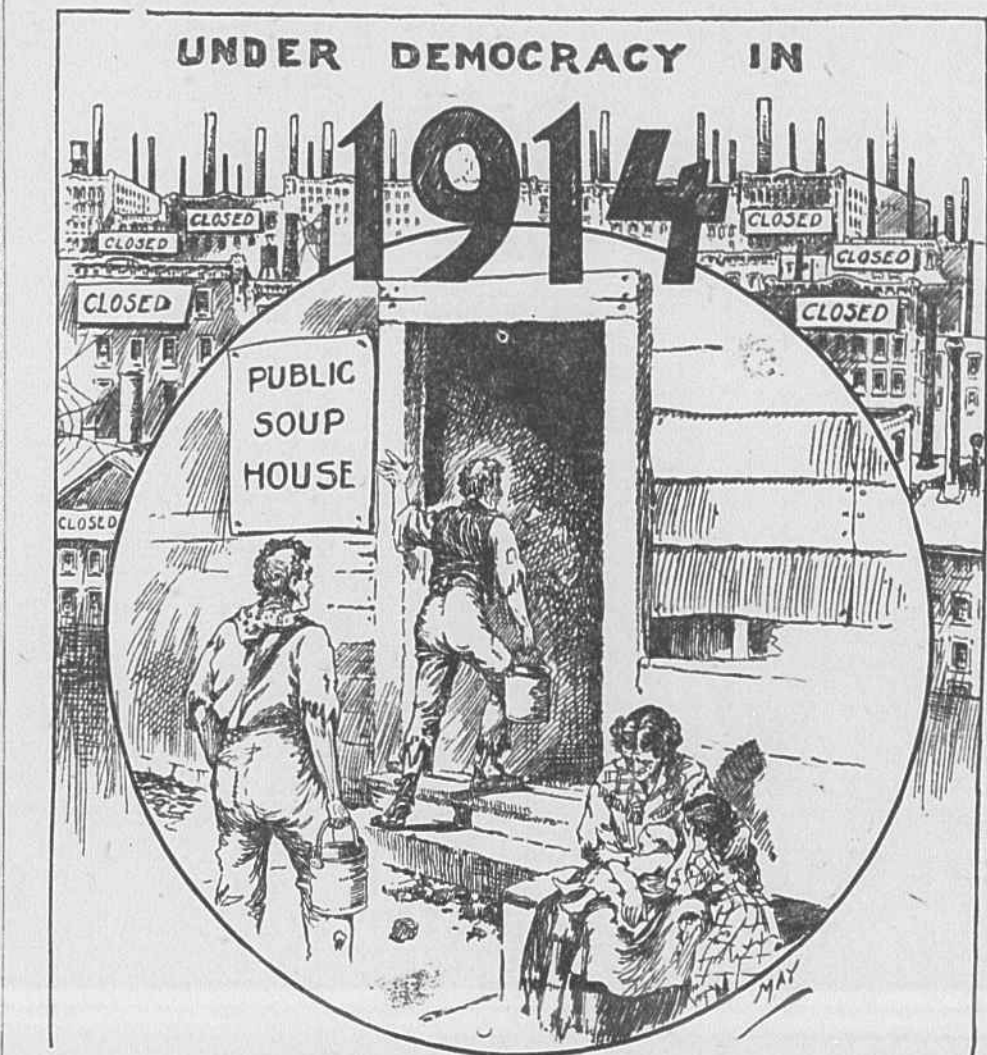

WARM WELCOME

Is Given Judge Robinson by the
Voters of Logan County
When He Speaks There.

LOGAN, Oct. 20.—Logan gave the
Republican nominee for governor,
Judge Ira E. Robinson, a warm recep-
tion when he arrived here at noon
today to address a big meeting this
afternoon. This rapidly growing little
city sent a big delegation of Repub-
licans to Huntington Wednesday night
to hear the judge's address there and
they were so well pleased with it that
enthusiasm is worked up to a high
pitch here.

SERBS HALTED.

BERLIN, Oct. 20.—The forward
movement of the Serbians in southern
Serbia has been halted by the troops
of the Central Powers, after a tem-
porary Serbian success, says the Ger-
man official statement issued today.

THREE MEN SAW THEIR WAY OUT OF LEWIS COUNTY JAIL

Bootleggers Invite Other Pris-
oners to Go Along but They
Prefer Imprisonment.

WESTON, Oct. 20.—Three pris-
oners, all held under charges of violat-
ing the prohibition law, sawed their
way out of the Lewis county jail
at 3 o'clock this morning and are
now at large. A posse of deputy
sheriffs is scouring the surrounding
country for them.

Those who escaped are Andrew
Cole, "Doc" Martin and Tanny Mar-
tin, the last two being brothers. They
invited the four remaining prisoners
in the jail to go along with them but
they refused, saying they preferred
prison to dodging officers.

Those who preferred to remain in
the jail are Hayward Fogg, of Clarke-
burg, and Jason Hall, who are await-
ing the action of the grand jury un-
der charges of highway robbery and
assault; Elias Moneybenny, the farm-
er who is accused of attempting to
murder his brother, Albert, with a
shotgun; and Grover Martin, held as
a bootlegger. Grover is a brother
of the two Martin boys who escaped.
Bars of a rear window of the jail
were sawed through by the jail break-
ers and pieces were removed. Evidently
somebody had passed small
steel saws to the prisoners from the
outside.

Elect Officers for the Ensuing
Year at Convention Held at
Huntington.

At the convention of the Police
Chiefs and Peace Officers Associa-
tion, which was held at Huntington,

place of meeting and officers for the
ensuing year were elected as fol-
lows:

police of Clarksburg.
First vice president—Chief Har-
old, of Charleston.
Second vice president—Lieuten-
ant N. M. Whyte, of Clarksburg.
Secretary-treasurer—Lieutenant
A. R. Hunt, of Huntington.

burg.

INTOXICATED MAN

Runs Amuck in Streets Think-
ing He is Jess Willard and
Lands in Jail.

J. L. Latahaw confessed Friday
morning in Magistrate Jackson V.
Carter's court to being drunk and
disorderly in the streets Thursday
night and was fined \$1 and costs
which he paid and was released.
Latahaw while intoxicated started
striking at persons he passed on the
street and hit several persons hard
blows. On man he struck knocked
him down, but this did not deter him
as he continued on his way until he
ran into Robert Shuttlesworth and
Clarence E. Stout, deputy sheriff, who
arrested him and placed him in the
county jail, where he remained until
Friday morning when he was freed.

A Hughes Estimate By Organized Labor

"Now that Governor Hughes has retired
from politics and ascended to a place on the
highest judicial tribunal in the world, the
fact can be acknowledged without hurting
anybody's political corns that he was the
greatest friend of labor laws that ever accu-
pied the governor's chair at Albany."

—From the Legislative Labor News, the official organ of the
New York State Federation of Labor, October 10, 1910.

ALL GENUINE.

In justice to all the employes
of the Weston State Hospital
who signed statements denying
campaign assessments and
forced contributions it must be
said and insisted upon that
every signature to those state-
ments is genuine and made by
the persons whose names are
on the original papers and
published in the Telegram.

DR. MARSH

Addresses Voters of Coal Dis-
trict in Behalf of the Bond
Issue Movement.

A bond issue of \$90,000 for school
buildings in Coal district was urged
by Dr. J. F. Marsh, of Charleston,
secretary of the state regents board,
in an address in the auditorium of
the Adamston school building Thurs-
day night, in which he presented the
urgent needs for that amount of
money and dwelt particularly on the
advantages a proposed high school
building either at Adamston or
Northview would give the children of
the district.

The bond proposition will be sub-
mitted to the voters of the district
at the general election November 7.
The voters will also decide at the
same election whether the high
school building, if the bond issue
carries, shall be located at Adam-
ston or Northview.

As the people were interested there
was a good attendance at the meeting
Thursday night.
Dr. Marsh will speak at Northview
tonight on the same subject.

SNOW FALLS.

CHICAGO, Oct. 20.—Snow and
freezing temperature struck Illinois
today. The earliest snow in years
fell in the central part of the state
accompanied by a drop in tempera-
ture to thirty degrees.

HUGHES CLUB

In Eagle District is Active and
is Doing Fine Work for the
Republican Ticket.

LUMBERPORT, Oct. 20.—The
Eagle District Hughes Club, which
was organized at an enthusiastic
meeting of voters in the school house
Wednesday evening, is already prov-
ing itself a big factor in the G. O. P.
campaign. Dr. C. S. Bates is pre-
sident of the organization and J. W.
Wadsworth is secretary.

The club started off with an en-
rollment of fifty, and it is confidently
expected that the membership will
reach 400 before the first of Novem-
ber. An active campaign for new
members is being waged and is meet-
ing with fine success.

The next meeting of the club will
be held Wednesday evening in the
school house, at which time reports
of the membership and other com-
mittee will be heard.

OIL \$2.60

Advance of Ten Cents a Barrel
for Crude is Announced
in Pittsburg.

PITTSBURG, Oct. 20.—Crude oil
went back to its record price here Fri-
day when the principal purchasing
agencies announced an advance of ten
cents a barrel on all grades but Rag-
land, which was advanced five cents.
The new prices are Pennsylvania
crude, \$2.60; Cabell, \$2.12; Mercer
black, Corning and Newcastle, \$2.10;
Somerset, \$1.95; Ragland, ninety cents.
Refiners said it was impossible to
get the required quantity of these
grades of crude and the price had
again been raised in the hope of in-
creasing the supply. Producers were
openly talking \$3 for Pennsylvania
crude when they heard of the new
quotations and others connected with
the oil industry were inclined to agree
with them.

SORRY TALE FOR CHILTON NOW IN STORE

In Upshur County as Republi-
cans and Democrats Alike
Are Talking Sutherland.

BUCKHANNON, Oct. 20.—Th Rep-
ublican majorities which Upshur
county will roll up this year will be
merely a matter of what per cent of
the Republican overwhelming vote will
go to the polls. Hughes was a popular
selection for nominee for the presi-
dency in this county, and Republicans
calmly await election day to give him
a majority which it is confidently ex-
pected will run up to 1,800, not an
exorbitant figure here, where the Re-
publicans have a normal majority
ranging up to 2,300. Democrats cast
in 1914 only 755 votes for Hodges for
congressman-at-large, and he was
given about as large a vote as the
Democrats can muster.

What is about to happen to William
E. Chilton in this county will be a
sorry tale indeed. Not only are Demo-
crats talking Sutherland, and the big
vote he will get here among their own
party voters, but the Democratic lead-
ers have abandoned everything on the
ticket except Cornwell, for whom the
whole fight is made. At the same time
the Democratic headquarters here is
giving much of its attention to woman
suffrage, and is conducting what is
known to be a bitter fight against giv-
ing the women the ballot. In this city
there are many advocates of woman
suffrage and the fact that the Demo-
cratic headquarters has gone out of
its way to fight the women, something
that is not done in other counties, has
caused a local rumormongering
among Democrats themselves, as Judge McWhorter
and other leading Democrats in Up-
shur have espoused the cause of suf-
frage for women. Judge McWhorter
has taken the stump for the women.
Howard Sutherland would sweep the
county with an enormous vote even
if the Democratic organization did try
to keep down his vote. Upshur county
Democrats fought out the Chilton-
Cornwell battle when organizing, and
the Chilton forces were snowed under.
The Chilton organization in other parts
of the state, after the licking they got
here, probably did not expect that a
very warm campaign would be con-
ducted for the senator against Suther-
land, but they certainly must be get-
ting wise by this time that the cam-
paign for Chilton has been practically
abandoned in Upshur, and all for the
purpose of trying to get votes for
Cornwell. Nobody in Republican cir-
cles here believes Sutherland needs
any help from the Democratic organ-
ization, and every Republican knows
that Democrats are merely playing for
an opportunity to boost Cornwell
against Judge Robinson, and Republi-
cans do not intend to be deceived in
the least.

FOURTH GOVERNMENT EXPERT TO LOSE LIFE

WASHINGTON, Oct. 20.—Louis M.
Jones, mining engineer of the bureau
of mines, killed while engaged in re-
scue work at the Barracksville mine, is
the fourth government expert to lose
his life in an attempt to save entombed
miners.

Director Manning of the bureau,
said Friday that Jones' death was a
great loss as he was regarded as one
of the most able men in directing re-
scue work.

"Mr. Jones had been an important
factor in the development of rescue
work," said Director Manning. "He
dies a martyr to the cause like three
other rescuers of the bureau who
died. Under the chief mining engineer
of the bureau Mr. Jones had charge of
the experimental mine of the bureau
at Bruceton, Pa., and in this capacity
developed many safeguards that are
not only saving lives in the coal mines
today but will be instrumental in sav-
ing thousands of lives in the future.
The fact that the death rate among
the miners last year was the lowest in
the last sixteen years emphasizes the
work of Mr. Jones' efforts."

Wickersham to Speak Here Tuesday Evening

Former Attorney General of the
Nation to Substitute for
Cummins, Who is Ill.

George W. Wickersham, of New
York, former attorney general of the
United States and one of the country's
most distinguished lawyers and a bril-
liant political speaker, will deliver an
address in the court house here at 8
o'clock Tuesday evening, according to
an official announcement made Friday by
Senator Roy E. Parrish, chairman of
the Republican county executive com-
mittee.

Mr. Wickersham comes to Clarks-
burg to substitute for United States
Senator A. B. Cummins, of Iowa, who
was billed to speak here Tuesday eve-
ning. Senator Cummins has lately been
stricken ill with a severe attack of
tonsillitis, and his physician ordered
him not to make any more speeches
at all in the campaign.

Upon learning that Senator Cum-
mins would not be here, Senator Par-
rish insisted that a speaker of national
fame be sent to take his place with the
result that the distinguished New York
attorney was designated. The choice
was most satisfactory to Senator Par-
rish and should be to all Republicans
in the county, as Mr. Wickersham is
one of the nation's leading men. He
was attorney general of the United
States in the Taft cabinet and in this
position achieved quite a reputation as
a "buster."

SPY TO DIE.

PARIS, Oct. 20.—A court martial
at Marseilles has unanimously con-
demned for spying Madame Gomeno
Sanchez, who before her marriage
was Marie Liberald, of Dusseldorf.
